Azome No. 119	231	170
Azome No. 121	231	171

2. That said labor and improvements upon and for the benefit of each of the said Azome claims No. 1 to 12 inclusive, which are contiguous, consist of the following, to wit:

a. Excavation and removal of a total of approximately 1,920 cubic yards of rock (colloidal silicates) and earth amounting to approximately 160 cubic yards for each of said claims No. 1 to 12 inclusive.

b. Grading and improving roadway upon said claims.

3. That said labor and improvements upon and for the benefit of each of said Azome claims No. 94, No. 95, No. 96, No. 97, No. 99, No. 101, No. 103, No. 105, No. 107, No. 109, No. 111, No. 113, No. 115, No. 117, No. 119, and No. 121, which are contiguous, consist of the following, to wit:

a. Excavation and removal of a total of approximately 2,560 cubic yards of rock (colloidal silicates) and earth amounting to approximately 160 cubic yards for each of said claims.

b. Grading and improving roadway upon said claims.

4. That the value of the labor so performed and improvements so made upon and for the benefit of each of said mining claims is not less than \$100.00.

5. That said labor was performed and said improvements were made between the 2nd day of September, 1977, and the 1st day of September, 1978.

6. That said work was done and improvements were made at the instance and request of the Azome Utah Mining Company.

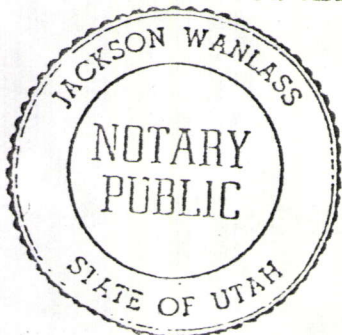

7. That the actual amount paid for such labor and improvements was not less than \$100.00 per claim and said payment was made by the Azome Utah Mining Company.

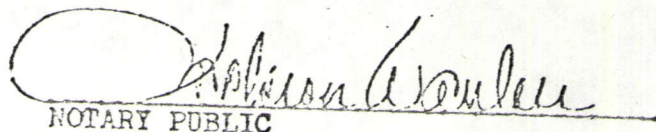

8. That affiant is President and General Manager of said Azome Utah Mining Company and is the person who directed the performance of said labor and the making of such improvements.

9. That said expenditures were made in good faith for the purpose of holding and developing said unpatented mining claims and that this Affidavit is filed in compliance with Section 55-1-6, Utah Code Annotated 1943.

Rollin J. Anderson

Subscribed and sworn to before me this 3rd day of August, 1978.
